

HOME DECORATING ADVICE

Every weekend throughout the month of August Forever Interiors on Dundas Street West in the Junction hosts seminars on decorating, painting, and even organizing your home. We dropped by Forever Interiors on a couple Saturday afternoons and met with special guest speakers - Rosemary Stevens-Burgess a colour consultant and Cherri Hurst, a professional organizer. Local residence dropped by to listen to the informal seminars and ask questions. For more information on upcoming special guests and seminars at Forever Interiors call 416 291-2001. Forever Interiors offers new & used furnishings, décor and antiques.
